Jesus' good news, then, was that the Kingdom of God had come, and that He, Jesus, was its herald and expounder to men. More than that, in some special, mysterious way, He was the Kingdom.

# VALUE HIS INHERENT KINGDOM

This impotence of “systems” is a main reason why Jesus did not send His students out to start governments or even churches as we know them today, which always strongly convey some elements of a human system.

They were, instead, to establish beachheads of His person, His word, and His power in the midst of a failing and futile humanity. They were to bring the presence of the kingdom and its King into every corner of human life simply by fully living in the kingdom with Him.

**There is something great about mankind,  
and we have perhaps lost our greatest  
opportunity of evangelism in our generation by  
not insisting that it is the Bible which explains  
why mankind is great.**

# VALUE HIS INHERENT KINGDOM

**For God so loved the world, that He gave His only Son, that whoever believes in Him should not perish but have eternal life. For God did not send His Son into the world to condemn the world, but in order that the world might be saved through Him.**

## Truth

Love is patient and kind; love does not envy or boast; it is not arrogant or rude.

It does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrongdoing, but rejoices with the truth.

For by grace you have been saved through faith.  
And this is not your own doing, it is the gift of God,  
not a result of works so that no one may boast. For we are His  
workmanship, created in Christ Jesus for good works,  
which God prepared beforehand,  
that we should walk in them.
