- 8 Formerly, when you did ***not* know God**,
you were enslaved to those that by nature are not gods.
- 9 But now that you have come to **know God**,
or rather to be **known by God**,
how can you turn back again to the weak and worthless
elementary principles of the world,
whose slaves you want to be once more?
- 10 You observe days and months and seasons and years!
- 11 I am afraid I may have labored over you in vain.
