## John 18:33-38

**“Are you the King of the Jews?”**

34 Jesus answered,

**“Do you say this of your own accord, or did others say it to you about me?”**

35 Pilate answered,

**“Am I a Jew? Your own nation and the chief priests have delivered you over to me. What have you done?”**

36 Jesus answered,

**“My kingdom is not of this world. If my kingdom were of this world, my servants would have been fighting, that I might not be delivered over to the Jews. But my kingdom is not from the world.”**

37 Then Pilate said to Him,  
“So you are a king?”

Jesus answered,

“You say that I am a king. For this purpose I was born and for this purpose I have come into the world— to bear witness to the truth. Everyone who is of the truth listens to my voice.”

Why do we  
drive on a 'parkway' and  
park on a 'driveway'?

Why do we  
drive on a 'parkway' and  
park on a 'driveway'?

Originally 'parkway' referred to refurbishing city green space and then as we built roads through them they were unimaginatively referred to as 'parkways'...

And 'driveways' have always referred to the way of getting from our house to the public street, it is just that today they are so short that we in effect can only park on them.

# Why are there interstate highways in Hawaii?

In the 1950's our national road system projects that came to be known as the 'interstates' were built primarily to provide effective transportation lines for the military as well as the public.

Hawaii has a significant military presence, especially on the island of Oahu, that was included within the scope of the 'interstates' purpose.
