Hubert H. Humphrey, Senator and Vice Pres.

The moral test of government is how that
government treats
those who are in the dawn of life,
the children;
those who are in the twilight of life,
the elderly;
and those who are in the shadows of life,
the sick, the needy, and the handicapped.

Hubert H. Humphrey, Senator and Vice Pres.

Jean-Paul Sartre

French existential philosopher

Wrestled with the fundamental question of philosophy...
...why is there something
rather than nothing?

what he makes of himself.”

the moment you lose
the illusion of being eternal.”

God's design

Genesis 1:26-31

Genesis 1:26-31

Part of day 6 of creation

Day 6 of Creation

life

26 Then God said,

“Let Us make man in Our image, after our likeness.
And let them have dominion over the fish of the seas
and over the birds of the heavens and over the
livestock and over all the earth and over every
creeping thing that creeps the earth.”

27 So God created man in His image, in the image of
God He created him; male and female He created
them.

Day 6 of Creation

life

28 And God blessed them. And God said to them,
“Be fruitful and multiply and fill the earth and subdue it, and have dominion over the fish of the sea and over the birds of the heavens and over every living thing that moves on the earth.”

29 And God said,
“Behold, I have given you every plant yielding seed that is on the face of all the earth, and every tree with seed in its fruit. You shall have them for food.

Day 6 of Creation

life

30 And to every beast of the earth and to every bird of the heavens and to everything that creeps on the earth, everything that has the breath of life, I have given every green plant for food.”

And so it was.

31 And God saw everything that He had made, and behold, it was very good.
And there was evening and there was morning, the sixth day.

- *Imago Dei* (Latin- Image of God) defines us

**There is something great about mankind,
and we have lost perhaps our greatest
opportunity of evangelism in our generation by
not insisting that it is the Bible which explains
why mankind is great.**

Francis Schaeffer,
He Is There and He Is Not Silent

- *Imago Dei* (Latin- Image of God) defines us
- *Us* is expressed uniquely in male and female

The two most ridiculous errors about men and women are unisexism and male chauvinism.

- The unisex feminist says that women and men are not different in value, therefore they are not different in nature.**
- The male chauvinist says men and women are different in nature, therefore they are different in value.**

Peter Kreeft,
professor of Philosophy, Boston College

Genesis 9:1-5

- 1 And God blessed Noah and his sons and said to them, “Be fruitful and multiply and fill the earth.**
- 2 The fear of you and the dread of you shall be upon every beast of the earth and upon every bird of the heavens, upon everything that creeps on the ground and all the fish of the sea. Into your hand they are delivered.**
- 3 Every moving thing that lives shall be food for you. And as I gave you the green plants, I give you everything.**
- 4 But you shall not eat flesh with its life, that is, its blood.**
- 5 And for your lifeblood I will require a reckoning: from every beast I will require it and from man. From his fellow man I will require a reckoning for the life of man.**
